# VILLA AEGIS

CORFU, GREECE

# ABOUT THE VILLA

---

A brand new, eclectic, stone villa situated in the heart of an impressive estate, in one of the most scenic and secluded parts of Corfu's northeast iconic Mediterranean coastline.

The Aegis Villa is a living part of a 7.000 SQM ecosystem representative of this Mediterranean island's luscious, emerald flora.

# WORLD-CLASS LUXURY

The key values that set the Aegis Villa apart are world-class luxury, comfort, and a safe haven for privacy and relaxation of the ephemeral trivia. Designed and delivered by an award-winning team of world-class architects, interior designers, and engineers. Inspired by Corfiot and Mediterranean tradition and driven by a contemporary aesthetic of luxury, innovation, wellness, and comfort.

# NATURE'S BOUNTY

---

Over 100 organic oil producing olive trees, many dating back 150 years, a vineyard, in addition to apple, pear, orange, lemon and chestnut trees, among others, complement the surrounding scenery.

The short walk (or two minute drive) to a serene, sandy beach supplements the 20m long private pool and jacuzzi of the estate.
